POSITION SUMMARY: Facilitate and work with consumers on a variety of activities of daily living (ADLs) needed for consumers to become more self-sufficient and move toward recovery. Additionally, you will facilitate group therapy, manage intakes/discharges, monitor medications, create a safe environment for the consumers, help coordinate treatment, and advocate for individuals with severe and persistent mental illness. Responsible for direct service care to consumers as part of a multi-disciplinary team.

ESSENTIAL JOB FUNCTIONS:

- Provide individual psychotherapy with consumers to provide support and insight.
- Facilitate group therapy sessions within the house.
- Coordinate clinical care with case management services and other services both inside and outside of MHCD.
- Assess consumers throughout the workday and provide appropriate interventions.
- Encourage, support, and train consumers in activities of daily living (ADLs) - teaching consumers about hygiene, help make appointments, show how to do household duties/chores, such as cooking, cleaning, etc.
- As part of a multi-disciplinary system, help facilitate the treatment and continuity of clinical care.
- Complete intake and discharge tasks for consumers being placed in the house as new residents or moving out of the house.
- Maintain household safety regarding a variety of household chores and activities, such as cooking, cleaning, and laundry.
- Document all significant consumer interactions toward recovery and continuity of care.
- Complete necessary clinical documentation, such as the daily log, consumer record, and medication records.
- Respond to consumer and building emergencies and facilitate appropriate interventions. In emergency situations, contact other residential staff, your supervisor, or other clinicians when needed.
- Advocate for acceptance and integration of individuals with mental illness within the neighborhood and community in which they live.
- Required to attend scheduled team meetings.
- Maintain a trauma informed environment of wellbeing.
- Perform other duties as assigned.

EDUCATION:

RC I: Must be actively enrolled in a Bachelor's degree program in social work, psychology, human services, or related field.
